So, you want to be certified...

(By the American Board of Health Physics, that is.)

It's a simple three-step process:

1. Contact **Nancy Johnson** at the Health Physics Society Secretariat Office **703-790-1745** for information regarding qualifications, application forms, due dates, etc.
2. Study hard...very hard (or make arrangements for Divine Inspiration).
3. Take and pass Parts I and II of the ABHP Certification Exam.

That's all there is to it!

And...if you don't pass on the first try, don't be discouraged. Many don't. You're much farther ahead than you were before and well on your way to becoming a CHP.

Good Luck! ■
